The
GLASS
EST FACTORY 1936
JACKSONVILLE, FL

THE VENUE

Built in 1936 by Henry Klutho, The Glass Factory is a unique piece of Jacksonville history. Commissioned by the Pittsburg Plate Glass Company, the space maintains a highly sought after, industrial aesthetic. Over the years the building has housed many different operations, yet the original charm remains untouched.

THE GLASS FACTORY
IS FULLY
CUSTOMIZABLE,
CATERING TO EVERY
FUNCTION AND
STYLE.

VENUE PERKS

LOCATION

Located in the heart of the Rail Yard district, The Glass Factory is a convenient distance from all of the Downtown hotels. It is also a short drive away from the bars and restaurants of Riverside, San Marco & Avondale.

AMENITIES

Handicap Accessible | Bridal Suite & Groom's Lounge | Large Guest Capacity | Climate Control | Trusted Vendor List

AESTHETIC

Soft light streams in through the pane glass windows, highlighting the highly sought after exposed brick interior while the string lights gently frame the industrial ceiling. The Glass Factory provides a seemingly endless amount of backdrops for guests and photographers alike.
